**+ Sr. Maria Adali Ulloa, H.F.I.C. +**

As we continue to journey through the remaining months of this *'Year of Consecrated Life,'* we have been sharing a little profile and history of each of the Religious members of our Staff and community here at Our Lady of Peace Church. In a *'descending order,'* starting with the *'eldest'* member of our Parish Staff, we have now profiled, *Sr. Margarita Barrera (the 'Senior' member of our Community), Fr. Patrick Boyle ('Pastor' of our Parish), Fr. Brian Jordan ('Chaplain' at St. Francis College, who is 'in residence' here at Our Lady of Peace), Sister Irix Mejia, (the 'Religious Superior' of the Community of Sisters who Staff our Parish), Fr. Orlando Ruiz, ('Pastoral Associate' here at Our Lady of Peace) and now, Sr. Adlai Ulloa, who is the 'newest' member of our Staff and Community.*

Sr. Adali was born in Las Lajas, Comayagua, Honduras on October 24, 1976. The daughter of Maria del Carmen & Jose Azarias Ulloa, she has one brother and one sister. In 1990, at the very young age of thirteen, Adali entered the convent of the Franciscan Sisters of the Immaculate Conception as an *'Aspirant,'* in their formation program. She continued her studies with the sisters of her community, and in 1993, became a *'Postulant'* in their formation program. In 1995, she began her canonical year as a *'Novice,'* and upon completion of her novitiate year, she made her *'First Profession of Vows,'* on December 9, 1996. Her formation and her ministry in the Order continued and on July 12, 2003, Sister Adali made her *'Solemn Profession of Vows.'*

In her nineteen years of *'consecrated life,'* she has ministered in both Honduras and Guatemala, Central America, before coming to the United States. For five years, prior to arriving here at Our Lady of Peace, Sr. Adali ministered in Clearwater, Florida.

Born and raised in Central America, and then ministering in Florida, Sr. Adali wasn't quite ready for our northern winters. She arrived in Brooklyn in January 2014, during one of the coldest winters on record! Still adjusting to the temperatures of our northern hemisphere, it hasn't given her much of an opportunity to enjoy her real passion . . . *playing soccer!* Ever energetic, one can only imagine her tearing up and down on the soccer field. She brings that same energy to her work and ministry here at Our Lady of Peace, as a member of our Parish Office Staff, as a Catechist in our Religious Education Program, as a vocalist and musician in our Spanish choir and as an active member of our community. *(Perhaps forming and coaching a 'girls soccer team,' is something we can work on for the future!)*

**+ Jubilee Year of Mercy +**  
*Second Sunday of Advent*

MERCIFUL  
~ LIKE THE ~  
FATHER

This Tuesday, the Solemnity of the Immaculate Conception, Pope Francis will open the *'Holy Door'* in Saint Peter's Basilica, symbolically opening the *'Jubilee Year of Mercy.'* In today's scriptures, Baruch confidently anticipates God's healing of the brokenness of humanity, and Paul sees God bringing our discernment, knowledge, and love to fulfillment. Our experience of life and of ourselves can make such prophecies seem wildly optimistic, even hopelessly naïve. Pope Francis challenges us to live this Jubilee Year as a graced time, when God's mercy reawakens our enthusiasm to live our baptismal call as gospel people, our hope renewed and ourselves recommitted to selfless charity. Notice that in Luke's Gospel today, God bypasses the religious elite and politically powerful to speak to a humble believer in the barren desert the saving word that will transform history. So God's mercy continues to accomplish humanity's salvation *in and through* ordinary, flawed, and least likely instruments—even us.

**+ Año Jubilar de la Misericordia +**  
*Segundo Domingo de Adviento*

MISERICORDIOSOS  
~ COMO EL ~  
PADRE

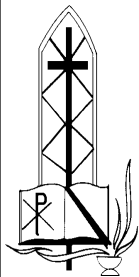

Este martes es la Solemnidad de la Inmaculada Concepción, y será el día en que el Papa Francisco abra la *'Puerta Santa'* en la Basílica de San Pedro, simbólicamente abriendo el *'Año Jubilar de la Misericordia.'* En las Escritura de hoy, Baruc confiadamente anticipa la sanación que Dios hace de la desesperanza de la humanidad y Pablo ve a Dios llevar a su cumplimiento nuestro discernimiento, conocimiento y amor. Desde nuestra experiencia de vida y de nosotros podemos hacer que esas profecías parezcan muy optimistas aunque irremediamente ingenuas. El Papa Francisco nos desafía a vivir este Año Jubilar como un tiempo de gracia cuando la misericordia de Dios despierte nuestro entusiasmo para vivir nuestra llamada bautismal como personas del Evangelio, nuestra esperanza renovada y nosotros vueltos a comprometer a una caridad desinteresada. Observen que en el Evangelio de Lucas, Dios pasa de largo a los líderes religiosos y políticos para en su lugar hablar en el desierto estéril con un creyente humilde la palabra salvadora que transformará la historia. Así que la misericordia de Dios continua realizando la salvación de la humanidad *en y por medio* de instrumentos ordinarios e imperfectos, ¡aún nosotros mismos!
